- I understand that ministry is a privilege, my desire to serve must, at all times, be affirmed by the church/organization through its screening process.
- I understand that an appointment to a high-risk ministry position requires that I provide three references, and they may be contacted by trip coordinators.
- I understand that in accepting a ministry position, I am committing myself to act in compliance with the beliefs, values, policies and processes of this ministry.
- I understand that training and accountability may be for my position. Therefore, I if required will attend training, as required by the position, and meet regularly with the leader responsible for the ministry to which I am being appointed.
- I know that Cry Cameroon may maintain a file on persons filling medium and high-risk positions in compliance with the *Responsible Ministry: Screening in Faith Policy*. This information is private and will be kept in a secure location. Upon request, I shall be given access to that information and be able to challenge the accuracy and completeness of the information and have it amended as appropriate.
